Curriculum Vitae

Summary

I am a UI/UX designer, graphic designer, motion graphics and video editor. I've been working as a designer for the past 12 years. I am really passionate about my job and I love challenging tasks! Despite the stressful nature of my job, and the constant struggle to meet deadlines, I've always been able to deliver results of high quality on time. To achieve that, I managed to become extremely proficient in different softwares such as Photoshop Illustrator, InDesign, Da Vinci, After Effects, and Figma. My job experience allowed me to collaborate closely with people from various departments and always deliver high quality results. I am confident to say that I am extremely comfortable sharing my work and ideas with others since I am very communicative person.
